NOTICE.—Our contract with the inventor requires us to prosecute vigorously all persons manufacturing, importing, selling or using any similar apparatus, which in any manner infringes or interferes with his invention, and brewers are hereby cautioned against giving orders for any similarly constructed machine, or any involving, in whole or in part, the principle claimed by the inventor, and we therefore call special attention to patent No 378,379, for the process of filtering beer, dated February 21, 1888, also to Patent No. 444,733, for a filtering apparatus, dated January 13th, 1891, granted to S. & F. UHLMANN, assignees of HEINRICH STOCKHEIM, Mannheim, Baden.

For the purpose of protecting our customers we will defend, at our own cost, any suit brought by any person disputing our sole and exclusive right to this patent filter, and as adequate protection we have deposited with The Central Trust Co. of New York the bond of Messrs. S. & F. UHLMANN for the amount of \$100,000, under a contract between said firm and the United States Brewers' Association.
